

Call or email us

When a precious baby or child of any age dies or is dying, lives can be shattered.

Child Bereavement UK has been providing information, guidance and support to bereaved families for 20 years.

Our bereavement support team is here to take your call and respond to emails 9am-5pm Monday-Friday.

“Thank you for listening when I spoke to you on the phone. You understood my sorrow and desperation.”

Bereaved mother

We provide:

- A confidential listening service
- Guidance and information on a wide range of topics and issues
- Signposting to other organisations which can offer further support specific to your needs
- Details about the direct support Child Bereavement UK can offer

Telephone: **0800 02 888 40**

Email: **support@childbereavementuk.org**

“Child Bereavement UK has held our hands on this journey and continues to do so to this day. I can honestly say that without its support and expertise, I know I wouldn’t have been able to continue.”

Bereaved mother

Website

On our website you can find information on a breadth of issues relating to child bereavement.

You will also find books and articles that may be useful, a searchable database of helpful organisations and details about the support we offer.

The website includes a Family Forum, a place to share experiences and feelings, where you can make contact with other bereaved families.

www.childbereavementuk.org

“I have been too emotional to speak at any great length to anyone yet, and this forum has helped me through the darkest days of my life.”

Family Forum user

Telephone support sessions

If your baby or child has died, we can provide a series of confidential booked telephone support sessions with a qualified counsellor for you as an individual, or as a couple. Please call us to find out how we can meet your needs.

Telephone: **0800 02 888 40**

Email: **support@childbereavementuk.org**

“We’re taking it slowly but I feel like I’m being able to help my wife more with your advice. I know it will never bring our baby back but it’s helping me to help us cope better with the pain”
