

Bereavement  
training for  
professionals

## Supporting parents through pregnancy loss and the death of a baby

Explore the impact that pregnancy loss and the death of a baby can have on the family, looking at up-to-date research and the National Bereavement Care Pathway (2017).

**11 December 2018**

London, Reduced to £60  
Thanks to bursary funding received

## Learning outcomes

- explore and develop self-awareness in relation to loss, grief and bereavement
- recognise physical and emotional reactions to loss
- gain an understanding of what parents may need when they are faced with the death of their baby
- be aware of current guidelines, research and initiatives around baby loss and bereavement support
- be aware of current baby death statistics and data
- relate theories of grief to practices in the workplace
- gain an insight into differing faiths, beliefs and cultures
- explore and experience ways to support ourselves and our colleagues
- gain information about Child Bereavement UK, other similar support organisations and resources available.

*I went home feeling even more passionate,  
empowered and ready to share my new skills and  
knowledge.*

Bereavement Support Midwife

Our training aims to help professionals to support children, young people, parents and families through all types of bereavement. We can also arrange bespoke training or consultancy on any type of bereavement at a time and location to suit your needs.
