Learning outcomes

- gain a deeper understanding of loss, grief and bereavement
- gain insight from listening to grieving families' needs
- appreciate the importance of self-awareness in supporting others
- relate theories of loss to our own and others' experiences
- identify approaches for telephone, individual and group support
- gain an understanding of the importance of endings and what needs to be considered when ending the supportive relationship
- recognise the importance of looking after ourselves and identify ways of supporting ourselves
- gain information about Child Bereavement UK, other similar support organisations and resources available.

I feel incredibly well informed on a very emotive and wide ranging subject.
